

Vehicle Load In/Out: 2021 FPTA/CTD Annual Conference + EXPO

Please familiarize yourself with this entire email regarding your vehicle display(s).

EXPO LOCATION:

Ocean Center
101 N. Atlantic Avenue
Daytona Beach, FL 32118

(386) 254-4500

LOAD IN: Sunday, Oct. 24th from 12:00-1:00 PM

LOAD OUT: Wednesday, Oct. 27 beginning immediately after the 12:00pm General Session gets going.

Vehicles can wait/stage behind the Ocean Center in the [West Lot \(see pic\)](#). There is plenty of room to maneuver vehicles in place. A representative from GEMS will be there to spot all vehicles to their assigned space(s). You will not be charged this fee; it is billed to FPTA.

OCEAN CENTER FIRE INSPECTOR REQUIREMENTS:

- Vehicles must have the battery cables disconnected.
- The gas tank must be either taped shut or have a lockable gas cap
- There must be no more than 1/4 tank of fuel.

The entire EXPO, including vehicles, is indoors in the Ocean Center's Arena. To load vehicles in/out, a section of the front glass doors of the Ocean Center are opened. Ocean Center staff protect the carpet with mats, and block off the common area inside. The vehicles then cross the common area, and travel into and through a Ballroom, to get to the Arena.

I understand your plight, however, PLEASE DON'T ASK...

No, there isn't another side door entrance/way to sneak in if you miss the scheduled time. **Please don't miss the timing or you're throwing money away by paying and not having a display vehicle.**

Please let us know if you have any questions or concerns!
